**Subject:** A valuable resource, no doubt a Godly man!

I did not know H.P. Robinson but I attended E.C. with his daughter Caren and know many in the family. I have read much of his works and did so as a student attending Emmanuel College. Actually, our teacher, Rev. John Swails recommended his works and I began to read them having purchased the collection of his sermons in print. I would have liked to have known him personally. His works have been a tremendous benefit to me as a pastor and preacher of the Gospel. I can fully recommend this man's ministry. It has had an influence on me for good. As you read his writings you can sense the Holy Spirit speaking to the depths of your heart as if he were preaching from a pulpit to you - challenging, anointed, and filled with teaching.
