Subject: Thank You!!

My mentor, Rev. T.L. Byrd, knew Brother Robinson personally, and many times he would mention what a great preacher he was. Being only 34, I never heard of him, except through Brother Byrd. I was excited to hear from Hugh's News that this web site was going to have his sermons. I can't wait to tell Brother Byrd about this. I pastor the West Road P.H. Church in Kinston, NC. Thanks for this material!
